As we celebrate this season of gratitude, as Stewardship Ministry co-chairs, we are excited to launch the 2023 Holy Trinity Stewardship Campaign; this year’s theme is *Giving Thanks: Eucharistic Stewardship*. 

The Holy Eucharist is called Holy Communion because it unites us to one another as the Body of Christ. The word *Eucharist* comes from the Greek word for thanksgiving. This is what we do when we celebrate the Divine Liturgy – we are giving thanks. The Eucharist – the sacrament of Holy Communion – is the focus of our parish life. As Orthodox Christians, we see the world as God’s gift, and everything we do should be inspired by this message.

This past year we have celebrated the return of regular activities in many of our cherished ministry programs, like GOYA, Philoptochos, Sunday School, Greek School, Mothers of Little Ones, Hellenic Dance, and the St. Anthony’s Group – to name a few. We have also continued expanding and improving our AV/Broadcasting Services, to continue accommodating weekly streaming of the Divine Liturgy to those affected by the pandemic and others that are homebound.

In addition to these cherished programs, we have also risen to the challenge during unprecedented times, of investing in our community’s present needs by continuing to cover Holy Trinity’s daily operations and expenses. We have also committed to building our future together, through the increased stewardship goals required to support a second priest, and through our capital campaign to build a beautiful campus in which we can continue our faithful fellowship.

As you have so incredibly and selflessly displayed throughout the last four years as we have co-chaired the Stewardship Ministry, we ask you to continue this journey with us by giving not only your financial support, but also your engagement in old and new projects through your time and talent.

We will officially be kicking off the 2023 campaign after the Divine Liturgy on Sunday, December 18, 2022. As you complete the Stewardship Pledge Card, please give prayerful consideration
to the pledge you are making and the difference it will make to Holy Trinity and our mission. As we all know, financial support to the church is most meaningful when accompanied by your presence, by your willingness to serve, by your prayers, and by your commitment.

Wishing you and yours peace, joy, and health during this festive and magical season.

Gratefully,

Angela & George
