WE LOOK FORWARD TO SEEING YOU IN PERSON!
As our COVID-19 trends continue to move in the right direction, the Mayor of Raleigh has rescinded the mask mandate, effective February 25th. Though face coverings are no longer required while inside buildings within city limits, they are encouraged since this stubborn variant seems to continue to linger. Similarly, at Holy Trinity, we encourage everyone, regardless of vaccination status, to wear a mask while in church. Masks are available at the candle stand. To continue to keep our community safe, we ask that you stay at home and worship with us via livestream if you are experiencing COVID-like symptoms. Individuals who have not been vaccinated or have questions can visit https://covid19.ncdhhs.gov/.

VIRTUAL ATTENDANCE AVAILABLE
If you are unable to attend in-person, please join us on YouTube, Click here to view the Liturgy. If you have trouble connecting to the church broadcasts, please contact Chris Pappas at 919-369-9118 for assistance. He will be happy to troubleshoot the issue. Connection can be most easily made through the church website and WATCH LIVE page link to the current LIVE broadcast or the YouTube HTGOC Channel. Again, watching on your Smart TV provides the best image, sound, and color, if you have that option.

GOARCH - UKRAINE RELIEF FUND
Our Archdiocese has established the GOARCH Ukraine Relief Fund. This Fund (which shall receive beneficial advice from International Orthodox Christian Charities) "...aims to raise $1 million for both immediate and long-term support of the Ukrainian people". This easy to use page is available by clicking here, or visiting www.goarch.org/donate/ukraine, which allows for an individual to select their donation amount and then to specify their Metropolis and their home parish. In this way we all--individual persons, families & parish communities--can do our part to uplift the Ukrainian nation through prayer and monetary assistance.
